

## INTERESTING AIRPORT FACTS

With the completion of our runway extension, we are proud to welcome American Eagle Airlines. Their daily non-stop flights will begin on December 15<sup>th</sup>, 2011, winter and summer, from Dallas/Fort Worth and Los Angeles.

The Aspen airport (including commercial and private flights) is the third busiest airport in Colorado, with Denver being the busiest and Colorado Springs the second busiest.

Aspen/Snowmass are Boutique communities and our airport is Boutique-sized. However, we operate with Airline and TSA regulations. Please respect these rules:

**ARRIVE AT THE AIRPORT 90 minutes prior to a domestic departure and two hours for an international departure. YOU NEED TO BE IN THE SECURED DEPARTURE AREA 30 MINUTES BEFORE YOUR FLIGHT DEPARTURE TIME.**

**Travel TIP! During travel, many checked bags lose the passenger's identification tag. We highly suggest that you put the following information on a sheet of paper clearly visible when the bag is opened by an airline baggage agent: your name, phone number, email address, and flight itinerary. This will expedite the bag on its way to you.**

Enjoy your stay in the beautiful Aspen/Snowmass Area
